BREAK

Restarting Learning

Through Reading Seminars

7	Aug. 14, 2021	Meeting the Challenge of Teaching / Training Online (The unfinished agenda) Lead Discussant Prof. Paturkar	
8	Sept. 2021	Making Websites for Countrywide Teaching/ Training SM Lead Discussant Prof. KK	
9	Oct-21	Futkar Technology See the video and try to make a customised book Since you already have code nos and passwords you can do practice sitting inoffice, using printer, paper knife and steel scale. After cutting in the middle, you can make the stack, and do holes for spiral binding on the machine in your institute. Do spral binding yourself. It is not difficult at all You may get many ideas and revalations if you do this exercise	
10	Nov. 2021	New Product Dev: Weakest Link in Strategy Anaar
